EXPERIENCE

2012-2014

TIME KEEPER, MEDFORD FLYNN RINK

Worked with co-workers to determine scheduling, keeping up with a non-consistent schedule, learning and using a score-board and time-keeping machine.

2015-CURRENT

CASHIER, SHAWS SUPERMARKETS

Working with co-workers, keeping up with a consistent schedule, customer service work, assisting new workers, learning and using companies software for orders.

EDUCATION

JUNE 2018

HIGH SCHOOL DIPLOMA, MYSTIC VALLEY REGIONAL CHARTER SCHOOL

2.9-3.0 Gpa. Core classes and IB SL Math, English, and Arts classes. Computer Science Club. Key Club. Gave extra help for students in English classes.

STARTED SEPTEMBER 2018

WORKING ON A COMPUTER SCIENCE BACHELORS, WESTFIELD STATE UNIVERSITY

Computer Graphics Club, Basic understanding of java, html, and C (By 2019 second semester I will have a more complex understanding of java)

SKILLS

- Basic understanding of Java
- Work well with co-workers
- Keeping a consistent schedule
- Highly dedicated towards learning more software engineering/programming skills
- Good writing skills

ACTIVITIES

I have had many volunteering opportunities which helped me make a difference, in Key club, we worked for many different fundraisers, to raise money for numerous reasons. I find pride in the fact that even though my personal impact was small, that through working with others, we collectively created something bigger.
